

PROCLEAN DEGREASER™

PRODUCT DATA SHEET

DESCRIPTION

ProClean Degreaser™, an industrial-strength solvent, cleaner, and degreaser, is free from petroleum distillates and chlorinated solvents, offering a safer alternative for various applications. Ideal for preparing concrete surfaces for staining, sealing, or waxing, this versatile cleaner is also effective for maintenance cleaning of stained or sealed concrete.

AVAILABLE SIZES

- 4-Ounce Concentrate (118 mL) Bottle - Yields 1 gallon of "standard strength" solution.
- 1-Quart Concentrate (946 mL) Bottle - Yields 5 gallons of "standard strength" solution.

MIXING & APPLICATION

For the 4-Ounce Bottle:

Dilute ProClean Degreaser™ at a ratio of 1:32 with water, which is equivalent to one half cup (4 ounces) per gallon of water.

For the 1-Quart Bottle:

Mix the entire contents of the 1-quart bottle with 5 gallons of water to achieve the same 1:32 dilution ratio.

Apply ProClean Degreaser™ in temperatures ranging from 40°F (4°C) to 90°F (32°C).

GENERAL CONCRETE CLEANING

1. Liberally apply the diluted ProClean Degreaser™ across the concrete surface using a pump-up sprayer.
2. While still wet, scrub the area with a soft-bristle brush, mop, or low-speed buffer, as appropriate.
3. Rinse off the solution before drying using a garden hose or a fan-tipped pressure washer.

COVERAGE

A standard mixture of ProClean Degreaser™ (4 ounces per gallon of water) covers about 200 square feet (18.58 m²). Coverage rates may vary depending on surface porosity, texture, age, condition of the concrete, application method, and environmental conditions.

CLEAN-UP

Simply rinse with water after use.

SAFETY & PRECAUTIONS

DANGER: CAUSES BURNS TO EYES. SKIN IRRITANT. Do not swallow. Do not get in eyes. Do not get on skin or clothing. Do not breathe fumes. Handle with care. **KEEP OUT OF REACH OF CHILDREN.** Wear safety glasses and chemical resistant gloves. Use only in a well-ventilated area.

Contains: Butoxyethanol, Nonoxynol, Tetrasodium EDTA, Polyethylene glycol monoalkyl ether phosphate and Potassium hydroxide.

FIRST AID TREATMENT: If swallowed, call a Poison Control Center or doctor immediately. Do not induce vomiting. If in eyes, rinse with water for 15 minutes. If on skin, rinse well with water. If on clothes, remove clothes. If breathed in, move person into fresh air.

DISPOSAL

Please consult with your local government's environmental or hazardous waste management authority to obtain guidance on the proper disposal of any unused ProClean Degreaser™ product in accordance with local regulations.

SHELF LIFE AND STORAGE

ProClean Degreaser™ Concentrate should be used within one year of purchase for optimal effectiveness. For storage, keep the product indoors, in a cool area away from direct sunlight and heat sources. Do not allow to freeze.

APPLICABLE STANDARDS

- ProClean Degreaser™ complies with ASTM D3209-82 for freeze/thaw stability for a minimum of three cycles.
- ProClean Degreaser™ is USDA approved.

1 Quart	DC-CCD-1QT	UPC 810141969629

TECHNICAL DATA

Refer to the corresponding Safety Data Sheet (SDS) for hazard related information.

Physical State	Liquid
Color	Red
Odor	Butyl
Solubility in Water	Soluble
pH	12-13
Specific Gravity	1.0
Flash Point	>212°F (100°C)

SUITABILITY SAMPLE

Given the unique characteristics of each application site, it is imperative to conduct comprehensive suitability testing. Prior to full-scale application, prepare a sufficient number of test areas to assess the compatibility and performance of ProClean Degreaser™ under site-specific conditions. It is essential to verify the effectiveness of the wear protection system and to evaluate whether the aesthetic outcomes align with the intended use of the product. Obtaining on-site sample approval is especially crucial for environments subject to high-traffic or in cases involving custom coloration applications.

WARRANTY

ProClean Degreaser™, a proprietary product, is guaranteed to maintain uniform quality within the bounds of manufacturing tolerances. However, as we have no control over its application, no explicit or implied warranty is provided concerning the effects of such use. In the event of a proven defect, our liability is strictly limited to refunding the purchase price of the defective material. The user is responsible for all other risks and liabilities that may arise from the use of this product. For any inquiries, please reach out to Direct Colors customer service.
